Advisor Release

 The school-designated advisor(s) have met AMCAS-established requirements and are bound by confidentiality. Information transferred includes your personal/demographic information, work/activity information, credit hours, MCAT scores, GPAs, the names and types of your recommenders, the names of any other schools you have attended, the medical schools to which you have applied and what action those schools have taken, and the status of your application with AMCAS. Additionally, if you applied for fee assistance through the AAMC Fee Assistance Program, and in your fee assistance application agreed to release award information to your health professions advisor this information will be made available along with your application information.

Do you authorize AMCAS to release your application information to the school-designated advisor(s) at this institution? *
